

WEEKLY WASH-UP

Live

Grow

Flourish

We have been contacted by an alumna of the College, who now has a part-time role to offer and would like a Duchesne College student to be able to help:

My name is Marjorie Daley, and I am an alumna of Duchesne. My family lives in Toowong and we have three school aged daughters aged 9, 11 and 13. I am looking for a babysitter 3 afternoons per week from 3pm-6pm.

The main task will be to collect my 9- and 11-year-old from their primary school, Ithaca Creek State School (Bardon), at around 3.15pm and take them home to our house for afternoon tea., unpack bags etc. We have a pool.

On some afternoons there may be other nearby pickups/drop offs required e.g., to basketball at Auchenflower or netball at Stuartholme School (Toowong).

We are looking for a relaxed, happy, fun loving young woman who will enjoy hanging out with our daughters. A drivers' license and own car is required. \$25 per hour.

We need 3 days, but they can be flexible.

We look forward to hearing from you!

Please contact Marjorie on 0404877632.
