

## WEEKLY WASH-UP

*Live*

*Grow*

*Flourish*

On Tuesday evening our 2021 Welcome and Academic Dinner will be taking place in the Dining Room.

Please be in the Dining Room by 17:45 so the dinner can begin promptly. The tables will be arranged by faculty to allow you to network with other residents who are doing the same or a similar course.

Please wear an academic gown for the dinner – you should have found one in your wardrobe. If you didn't, let us know and we will get you one. If you were lucky and had more than one please drop it to the Front Office.

Underneath your academic gown you should aim for smart casual attire with shoes (not pluggers or Birks).

The evening is our chance to welcome everyone into the Duchesne community for 2021 as well as celebrating the academic achievements from last year.

An email about dinner 'etiquette' has been sent to all residents. Please read it before attending.
