

WEEKLY WASH-UP

Live

Grow

Flourish

The Women's College are hosting an International Women's Day lunch on Monday 8 March. They have extended an invitation for some of our students to attend. They have had to cap the number at 50 due to COVID safety, however, it is a very generous offer.

An inspirational guest speaker will be attending – Madeleine Thornton who is a Women's College alumna (2011-2013) who has founded The Grapevine Club – a professional network for young, working women.

Each year the hosting of an IWD event switches between Duchesne College and The Women's College and this year it is our neighbours' turn.

You will need to register to attend. For more information and tickets please follow the [link to the event](#).
