On Monday 1 March our first year resident, Jacinta Haber represented Duchesne College in the first ICC Cultural event of 2021: College Idol.

To become Duchesne Idol Jacinta sang 'My Heart Will Go On' and was selected to represent her College.

For the finale at The Red Room Jacinta sang the Whitney Houston hit 'I Wanna Dance With Somebody', even though she wasn't even born when it was released!

Jacinta put on a fantastic performance and placed seventh out of the Colleges.

Jacinta had fantastic support from Sophie Osborne on the keyboard and members of the community in the audience. Well done!
